PROFESSIONAL SUMMARY

Detail-oriented and motivated Software Testing enthusiast with hands-on experience in test automation, web application testing, and QA tools. Skilled in Selenium, WebdriverIO, and API testing with Postman. Strong understanding of SDLC/STLC and agile methodologies, with a passion for delivering high-quality software. Seeking to leverage technical and analytical skills in a remote Software Testing Internship.

TECHNICAL SKILLS

- **Languages:** JavaScript, Python (basic), Java (basic)
- **Automation Tools:** Selenium, WebdriverIO, Cypress (basic)
- **API Testing:** Postman
- **Bug Tracking:** Jira (or similar tools)
- **Testing Types:** Functional, Regression, Smoke, UI Testing
- **Frameworks:** Mocha, Jasmine (if applicable)
- **Version Control:** Git, GitHub
- **Other:** Agile/Scrum, SDLC, STLC

PROJECTS

Automated Testing Project – SauceDemo Website

- Designed and executed test cases for e-commerce workflows (login, cart, checkout)
- Built automated test scripts using WebDriverIO
- Identified and documented bugs with clear reproduction steps
- Improved test coverage and execution efficiency

API Testing with Postman

- Created and executed API test collections
- Validated response status, headers, and payloads
- Automated API testing using Postman scripts

Web Application Testing Project

- Performed manual testing on web applications
- Wrote detailed test cases and test scenarios
- Conducted regression and smoke testing

EXPERIENCE / TRAINING

Self-Driven QA Training & Practice

- Learned and applied software testing concepts through hands-on projects
- Practiced automation testing using Selenium/WebdriverIO
- Gained experience in writing test cases and bug reports
- Simulated agile workflows and collaboration

EDUCATION

Bachelor's Degree

Mechanical Engineering- Madonna University

Code academy

KEY COMPETENCIES

- Strong analytical and problem-solving skills
- Attention to detail
- Good communication and teamwork
- Ability to learn quickly and adapt to new tools
- Time management and remote work readiness

ADDITIONAL INFORMATION

- Available for remote internship
- Flexible working hours
- Eager to contribute and learn from industry professionals
